Dear Dani,

I wanted to thank you again for all your help with our last KW Home & Garden Show, presented by RE/Max.

Once again you were there for us in the planning stage: from the initial design and production of the Sales Brochure, to updating and managing the website, to regularly updating my floor plan, and finally producing the Show Guide and press releases for the show.

Your assistance during the show - welcoming the press attendees and giving them a tour of the show, supervising the presenters at the Rogers Theatre, arranging exhibitor interviews for our live radio and TV coverage, and last but not least, pitching in when we were swamped at the front desk of the Show Office - was greatly appreciated.

Dani, you have been an integral part of our show team for many years now and I look forward to working with you for many years to come.

With all my best wishes!
