

On whirlwind tour of southern Ontario, visitors make pit stop at farm show

Just browsing Delegates from the Republic of Sakha in central Siberia study a bale wrapper during a farm equipment show at the International Centre yesterday. From left: Goloubov Stepan, Sibirnikov Vasily, Alarasyev Denis, Svinobasev Gavril and Lobodov Egor. They have visited an abattoir, a Perlin's and Niagara Falls.

Toronto Star – Canadian International Farm Equipment Show
