

What Our Clients Say About Us

Hello Dani.

I wanted to take this opportunity to say a great big "Thank You"- for all of your help and assistance on this recent show.

As you know- the amount of Publicity you garnered for this show- worldwide- exceeded our wildest expectations. We continue to get coverage as I write this letter. In my 30 years of producing events, I have never seen greater results-especially when I consider the very limited budget that you had to work with on this first year event!

Your assistance on site was also greatly appreciated. You went above and beyond the call of duty Dani, and we greatly appreciate the extra effort that you put forth. The overall media "wrap up" report was super!! I am convinced that your efforts were very instrumental in the success of the show, and as a result, we will be producing this show again next year!

Thanks again Dani- and I look forward to working with you again on this event.

Kind regards,
